The Place of Art in Christian Life

with

Fr. Alain Arnould, OP

The Master of the Order, fr Bruno Cadoré, has appointed fr Alain Arnould as his Socius for Northwestern Europe and Canada. He studied Marketing and History of Art at Ghent, London and Cambridge Universities. He came across the Dominicans during his PhD studies.

As chaplain of the Artists in Brussels he had the opportunity to take many initiatives in the visual arts, music and theatre in an attempt to bridge the gap between the Church and Art.

This ministry changed him from a scholar in mediaeval manuscripts to a passionate defender of today's artistic expressions. Because of this experience, the Master of the Order asked him to coordinate the Jubilee Art Exhibition "Auguri".
