

HEBREW BIBLE STUDY

Saturday 23rd January at 2 pm
at the Studium Catholicum

We will study the Bible in Hebrew and share our thoughts twice a month on Saturdays. The Bible study group is open to everyone who already has a basic grasp of reading the Hebrew script.

We will begin from the first chapter of Genesis. It is highly recommended to read the chapter before the Bible study and also to find commentaries on the Hebrew language and the content which can then be shared among us.
